We will have prizes. There will be extra fishing poles, bait, and help on hand.

Please bring something for the barbecue and something to sit on for you and your family. We will have water and drinks at the site. Please coordinate with Tribal Council Member Patricia Neminski to let her know what you will be bringing. You can reach her at 951-712-6026.

We should be at North Lake where the green star is on the map, but as this is a first come first served park, we may have to move. If you can't find us, please contact Tribal Council Vice Chairman Adam Loya at 714-341-0172.

Cultural Class will have demonstrations and hands on learning. Contact Tribal Council Chairwoman Sandonne Goad at 951-807-0479.
